RANGE RIDER

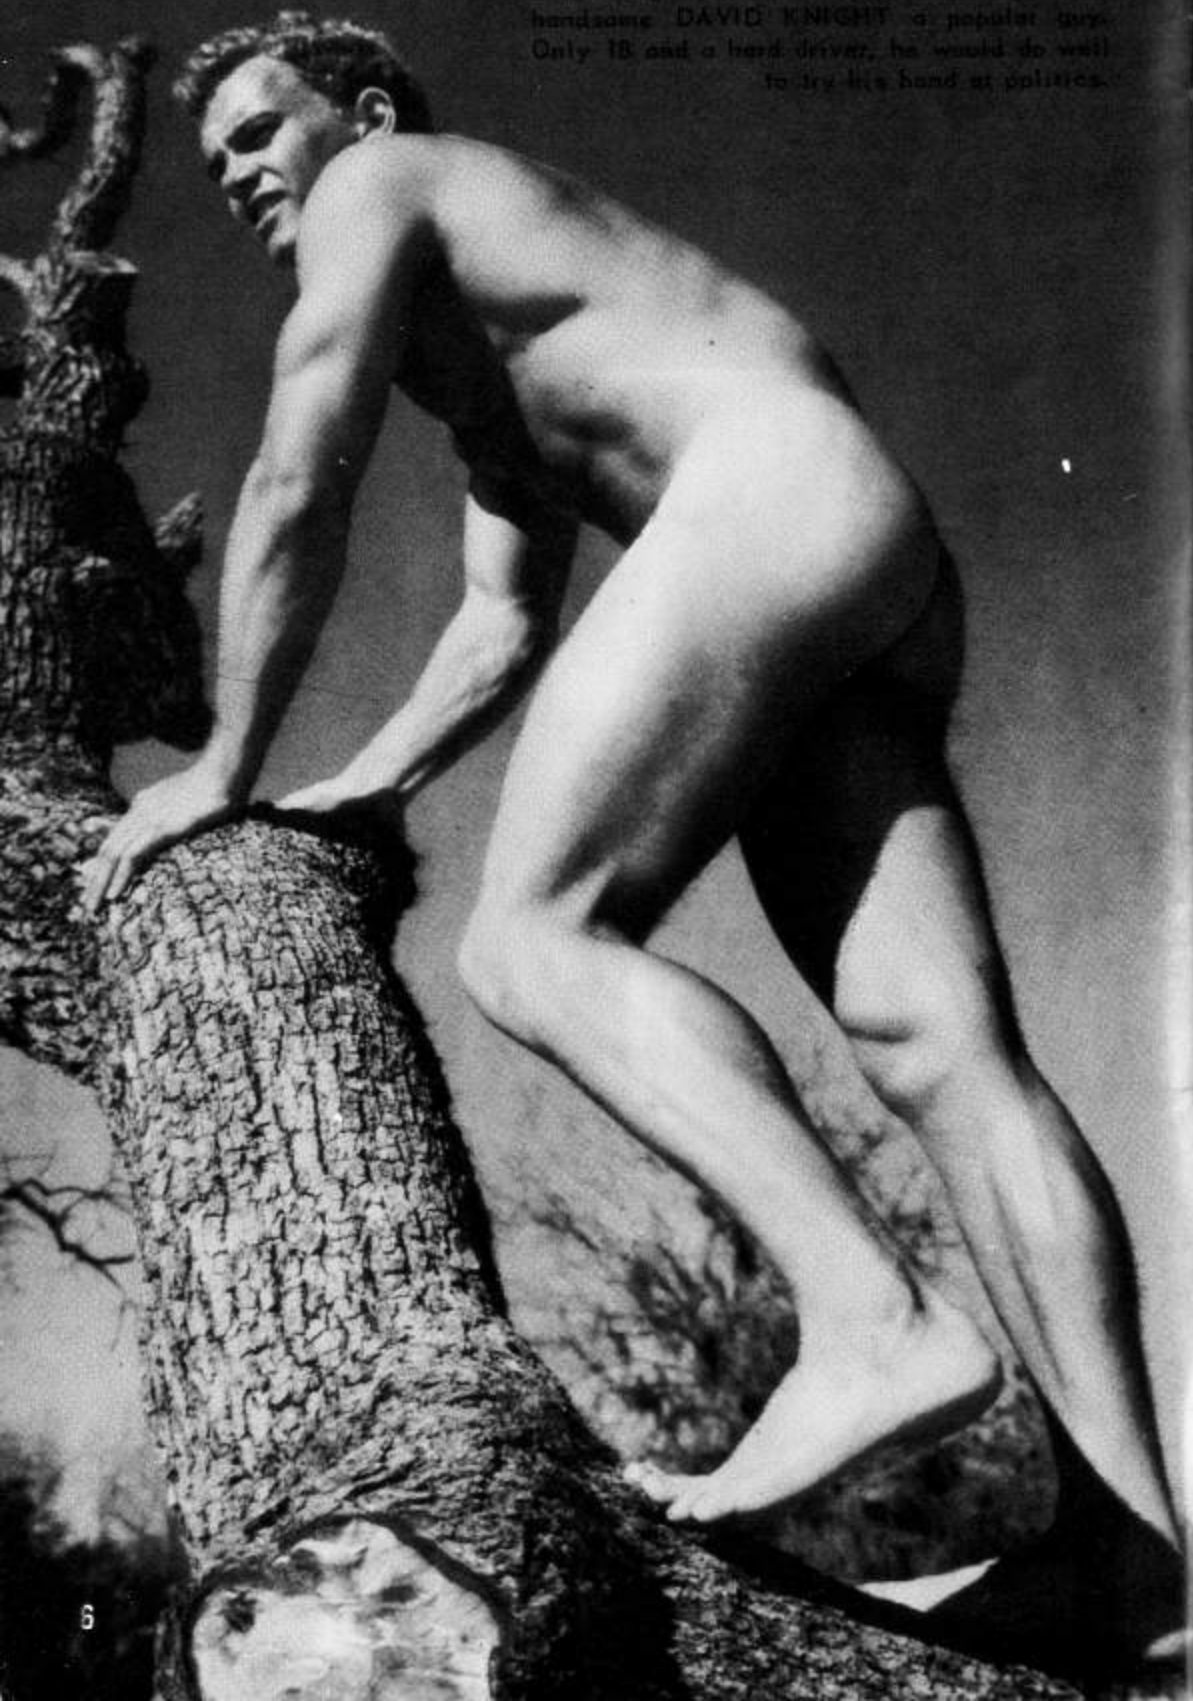

The wide open spaces and wild badlands are home to this rough hombre. Hard shooting, fast riding STUD enjoys life in the raw.

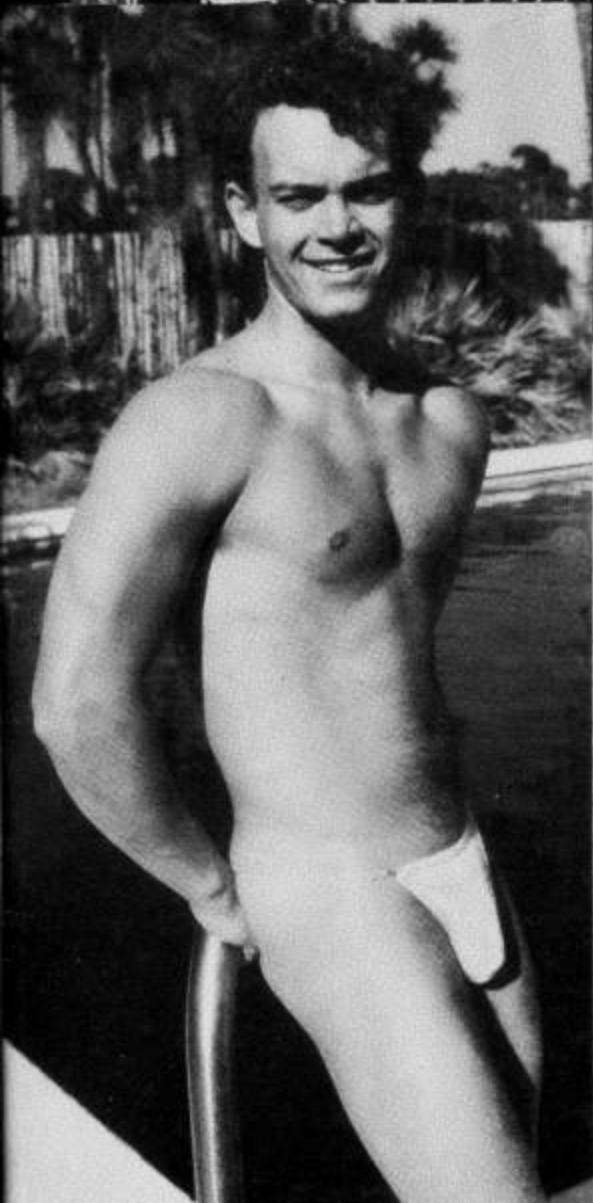

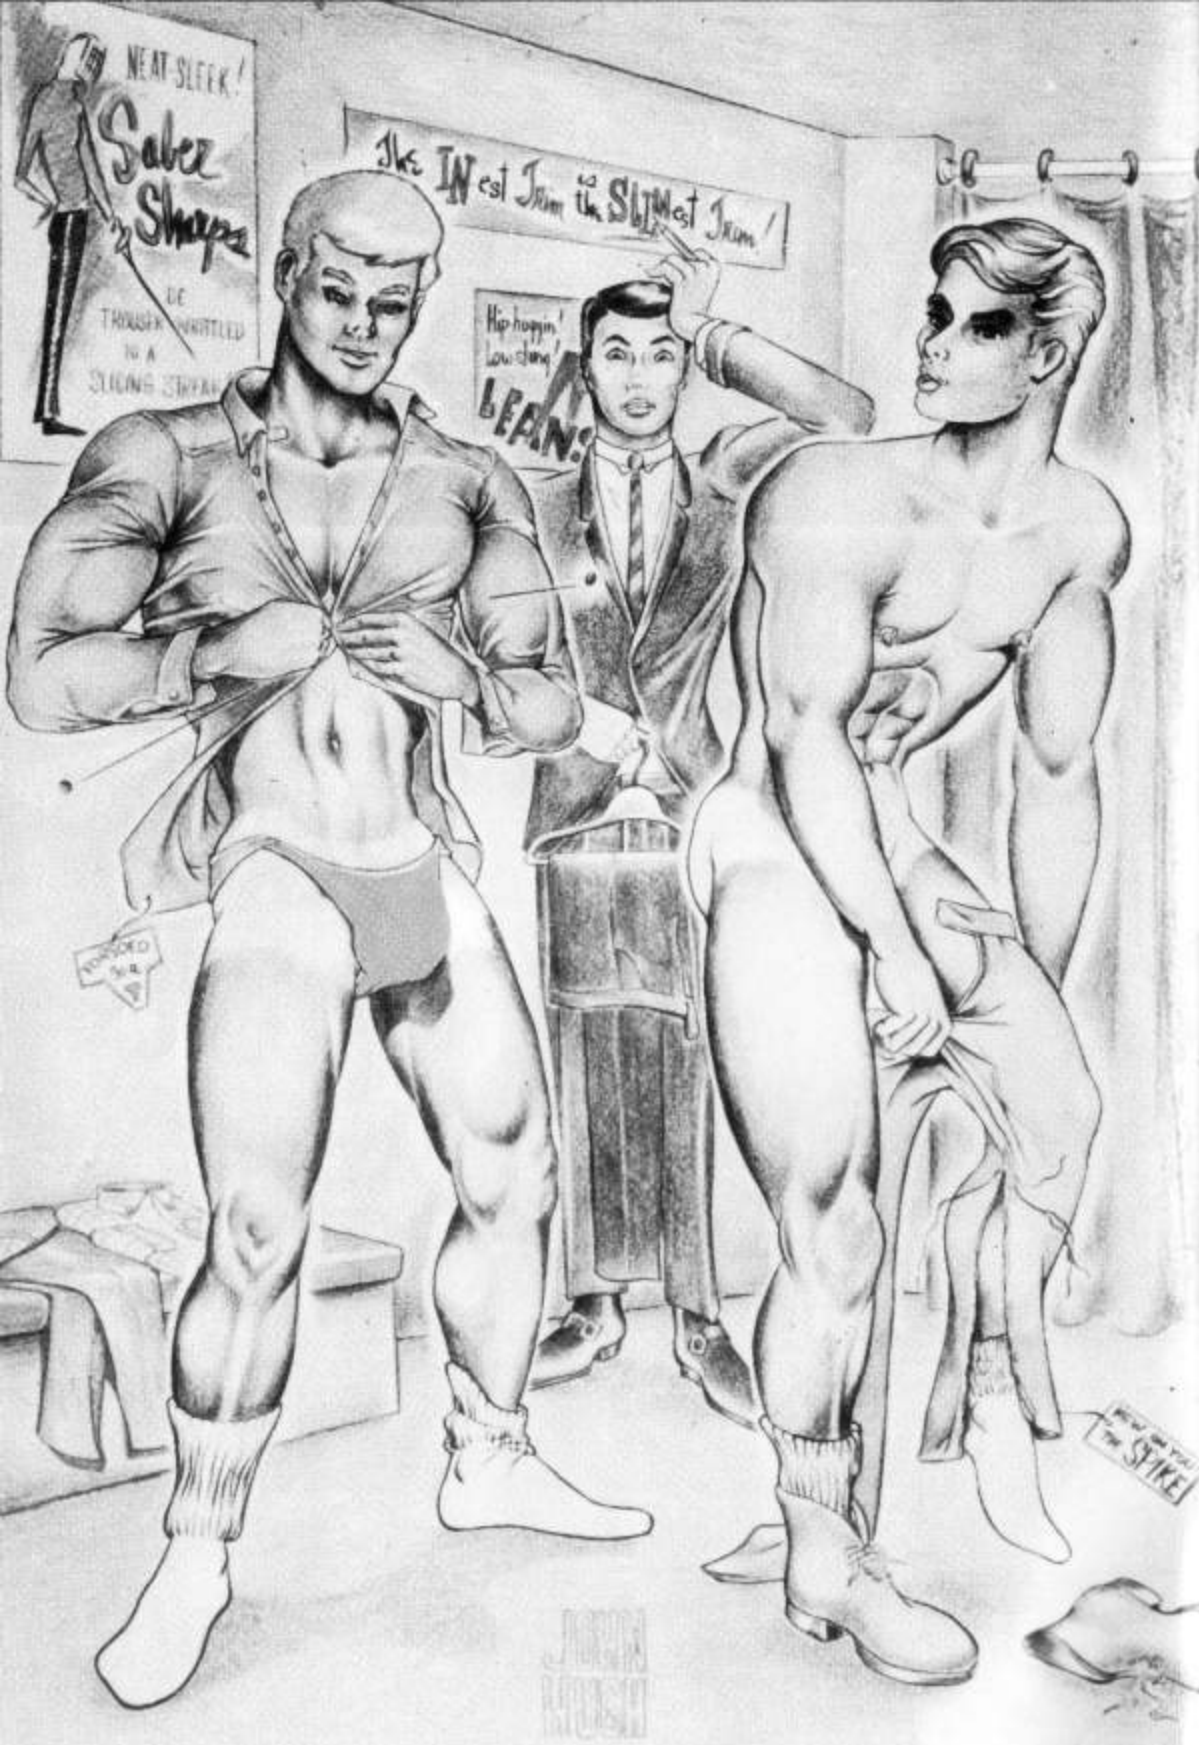

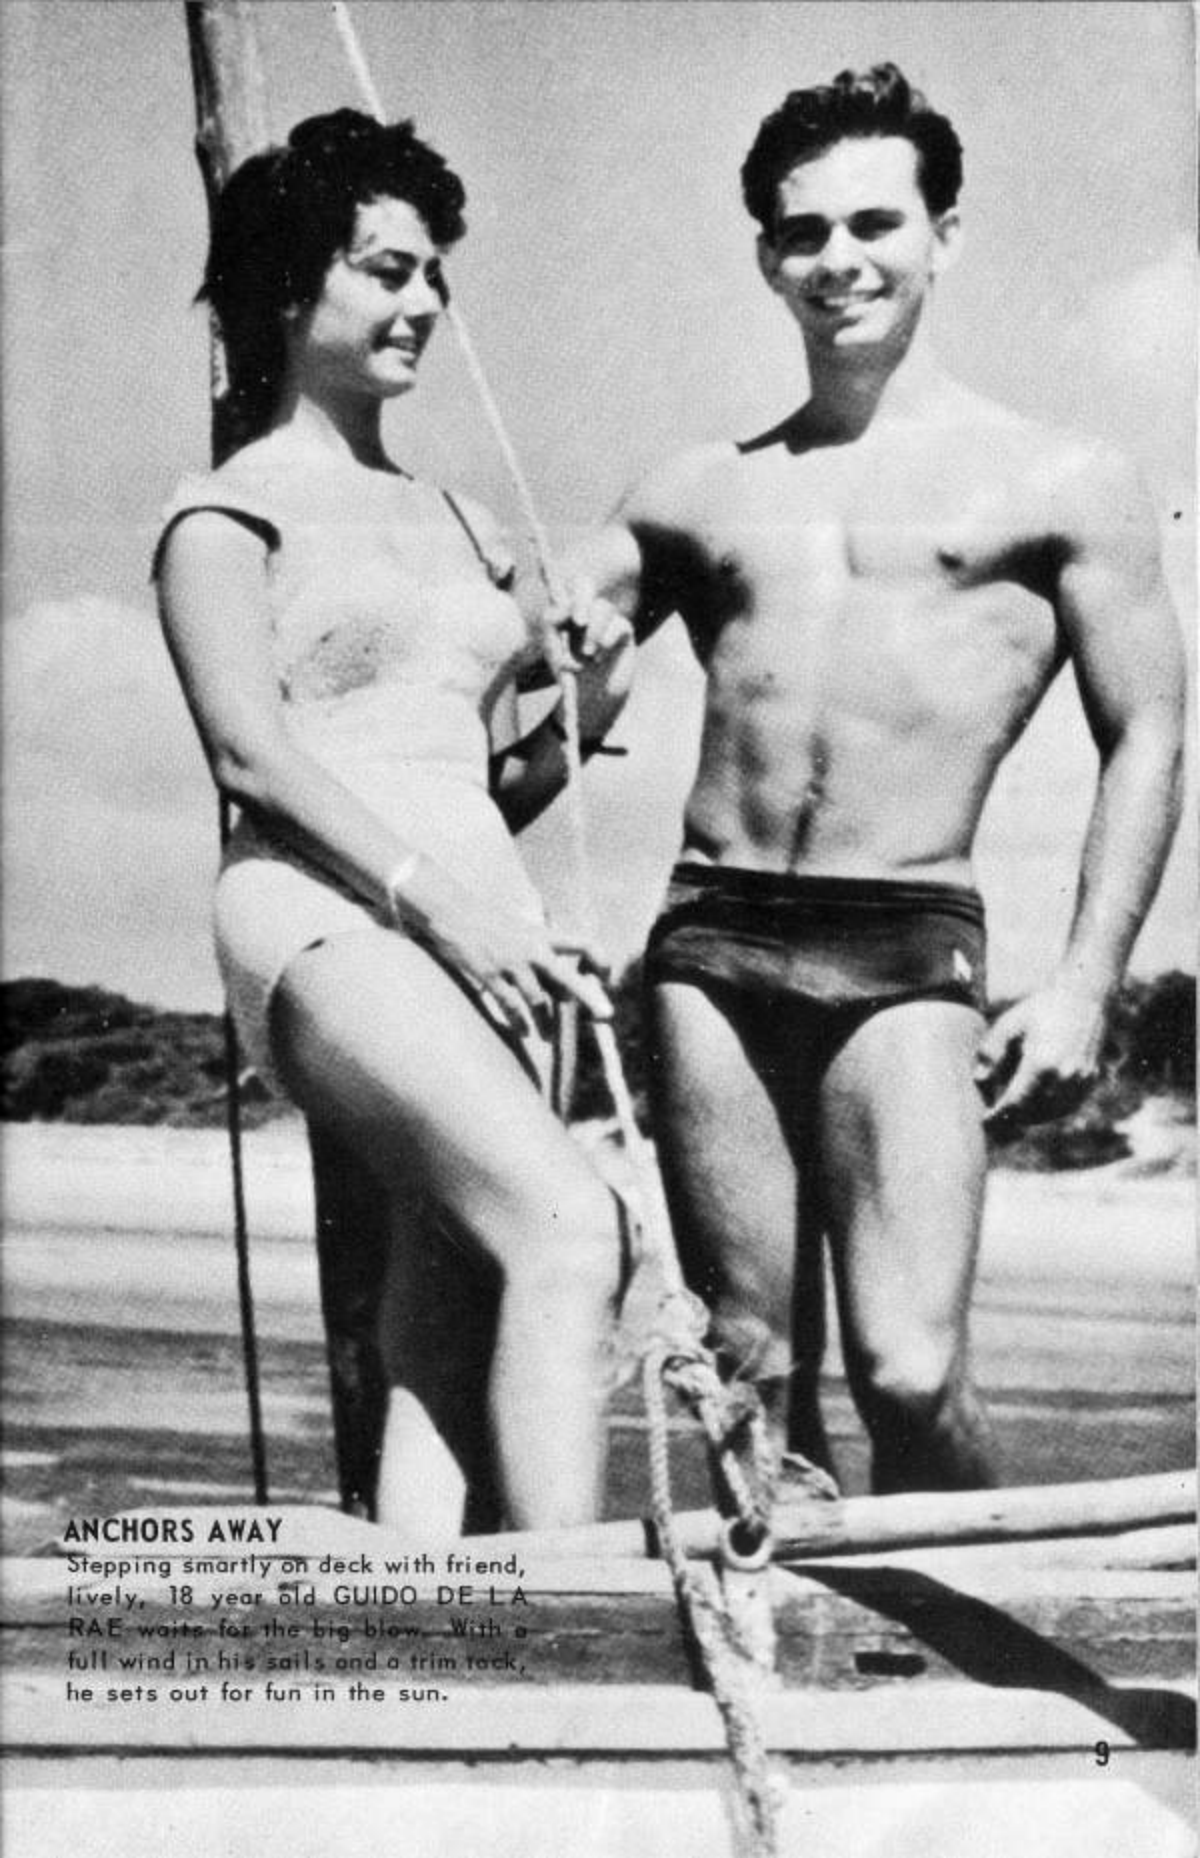

PERSONALITY PLUS

A flashing smile and a ready handshake make handsome DAVID KNIGHT a popular guy. Only 18 and a hard driver, he would do well to try his hand at politics.

ANCHORS AWAY

Stepping smartly on deck with friend, lively, 18 year old GUIDO DE LA RAE waits for the big blow. With a full wind in his sails and a trim tack, he sets out for fun in the sun.

BEAU DEVIL

An impish little fellow with a demonic gleam in his eye, 16 year old KEN ROYE can't wait to join the Marine Corps. He's pretty big in many ways already.

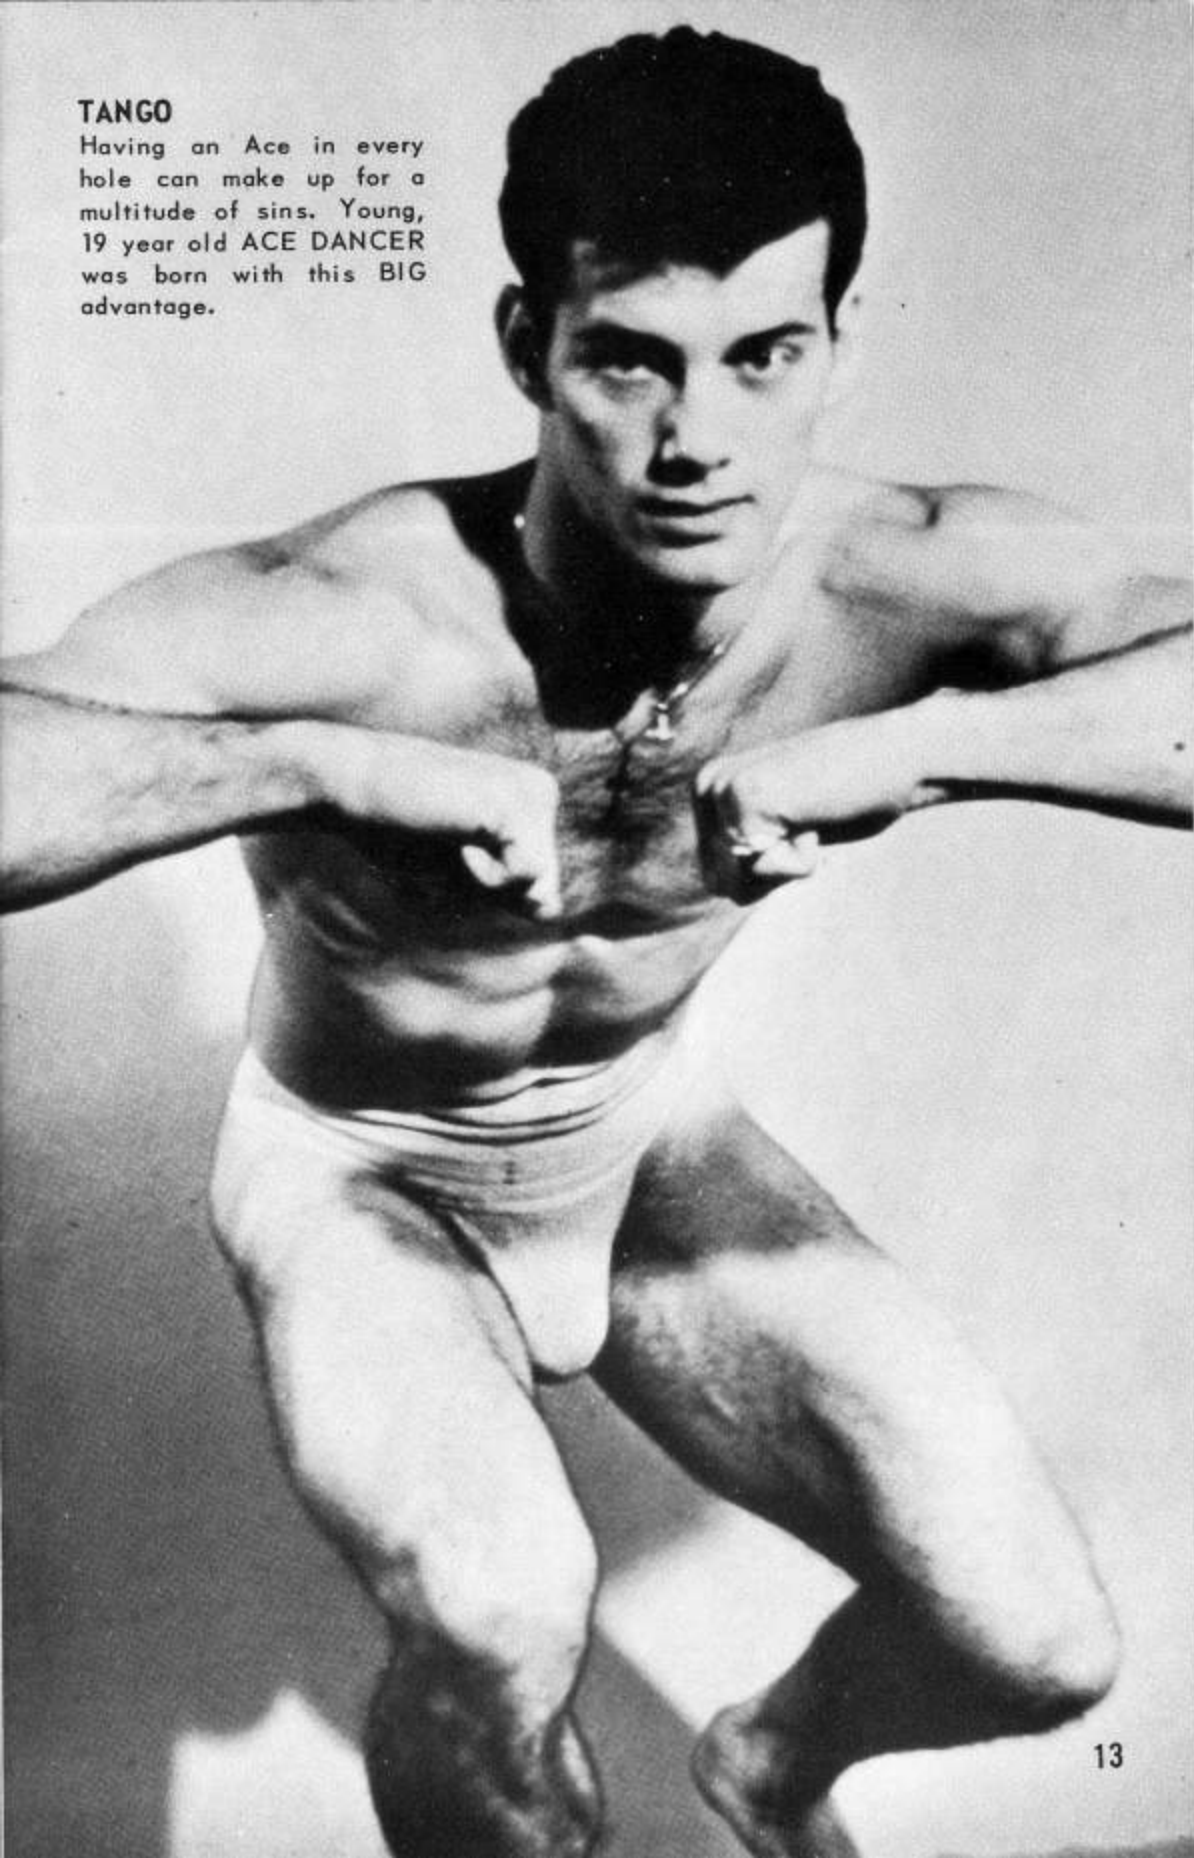

WILD ONE

With a throbbing, hot engine under him, danger-loving GUY TOWERS sets out for a fast, furious ride.

TANGO

Having an Ace in every hole can make up for a multitude of sins. Young, 19 year old ACE DANCER was born with this BIG advantage.

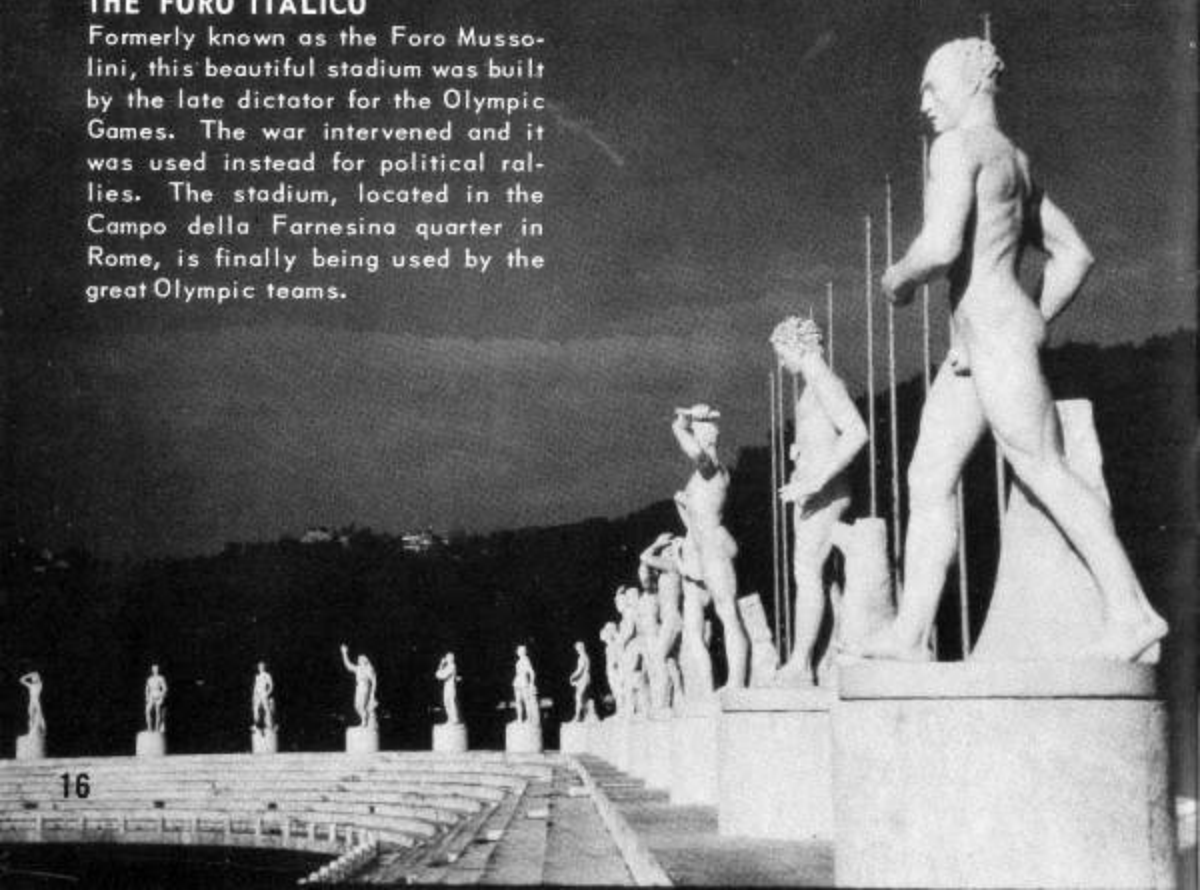

ACTION

A Swedish streak of lightning, blonde 19 year old SVEN HOLM never stops moving. An expert skier and avid mountain climber, he looks now for new horizons to conquer.

THE FORO ITALICO

Formerly known as the Foro Mussolini, this beautiful stadium was built by the late dictator for the Olympic Games. The war intervened and it was used instead for political rallies. The stadium, located in the Campo della Farnesina quarter in Rome, is finally being used by the great Olympic teams.

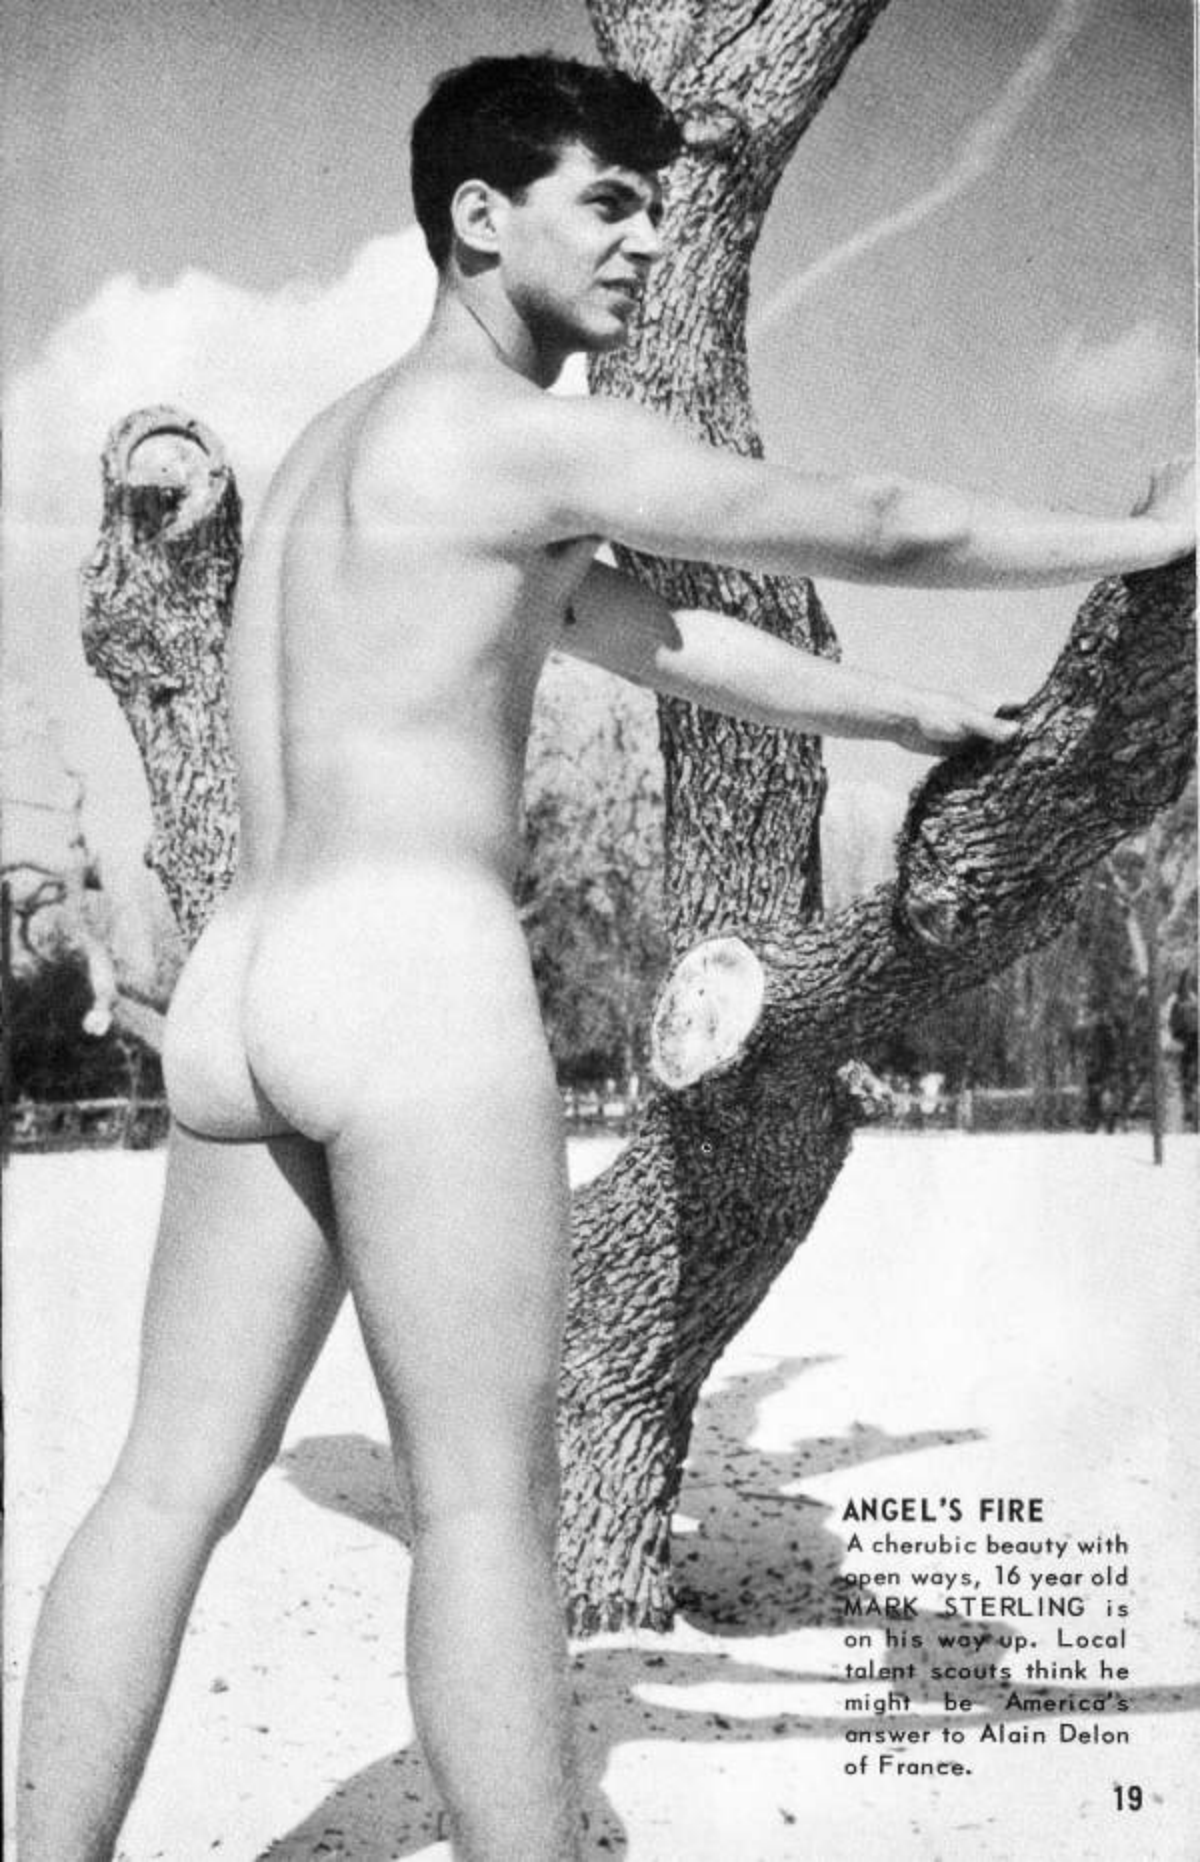

Statues from the Vatican in Rome

TATTOO

Intricate patterns of wild color reveal the inner fire of REX HOLT. His family worked with a circus troupe, and Rex learned early in life how to handle a big, long rope.

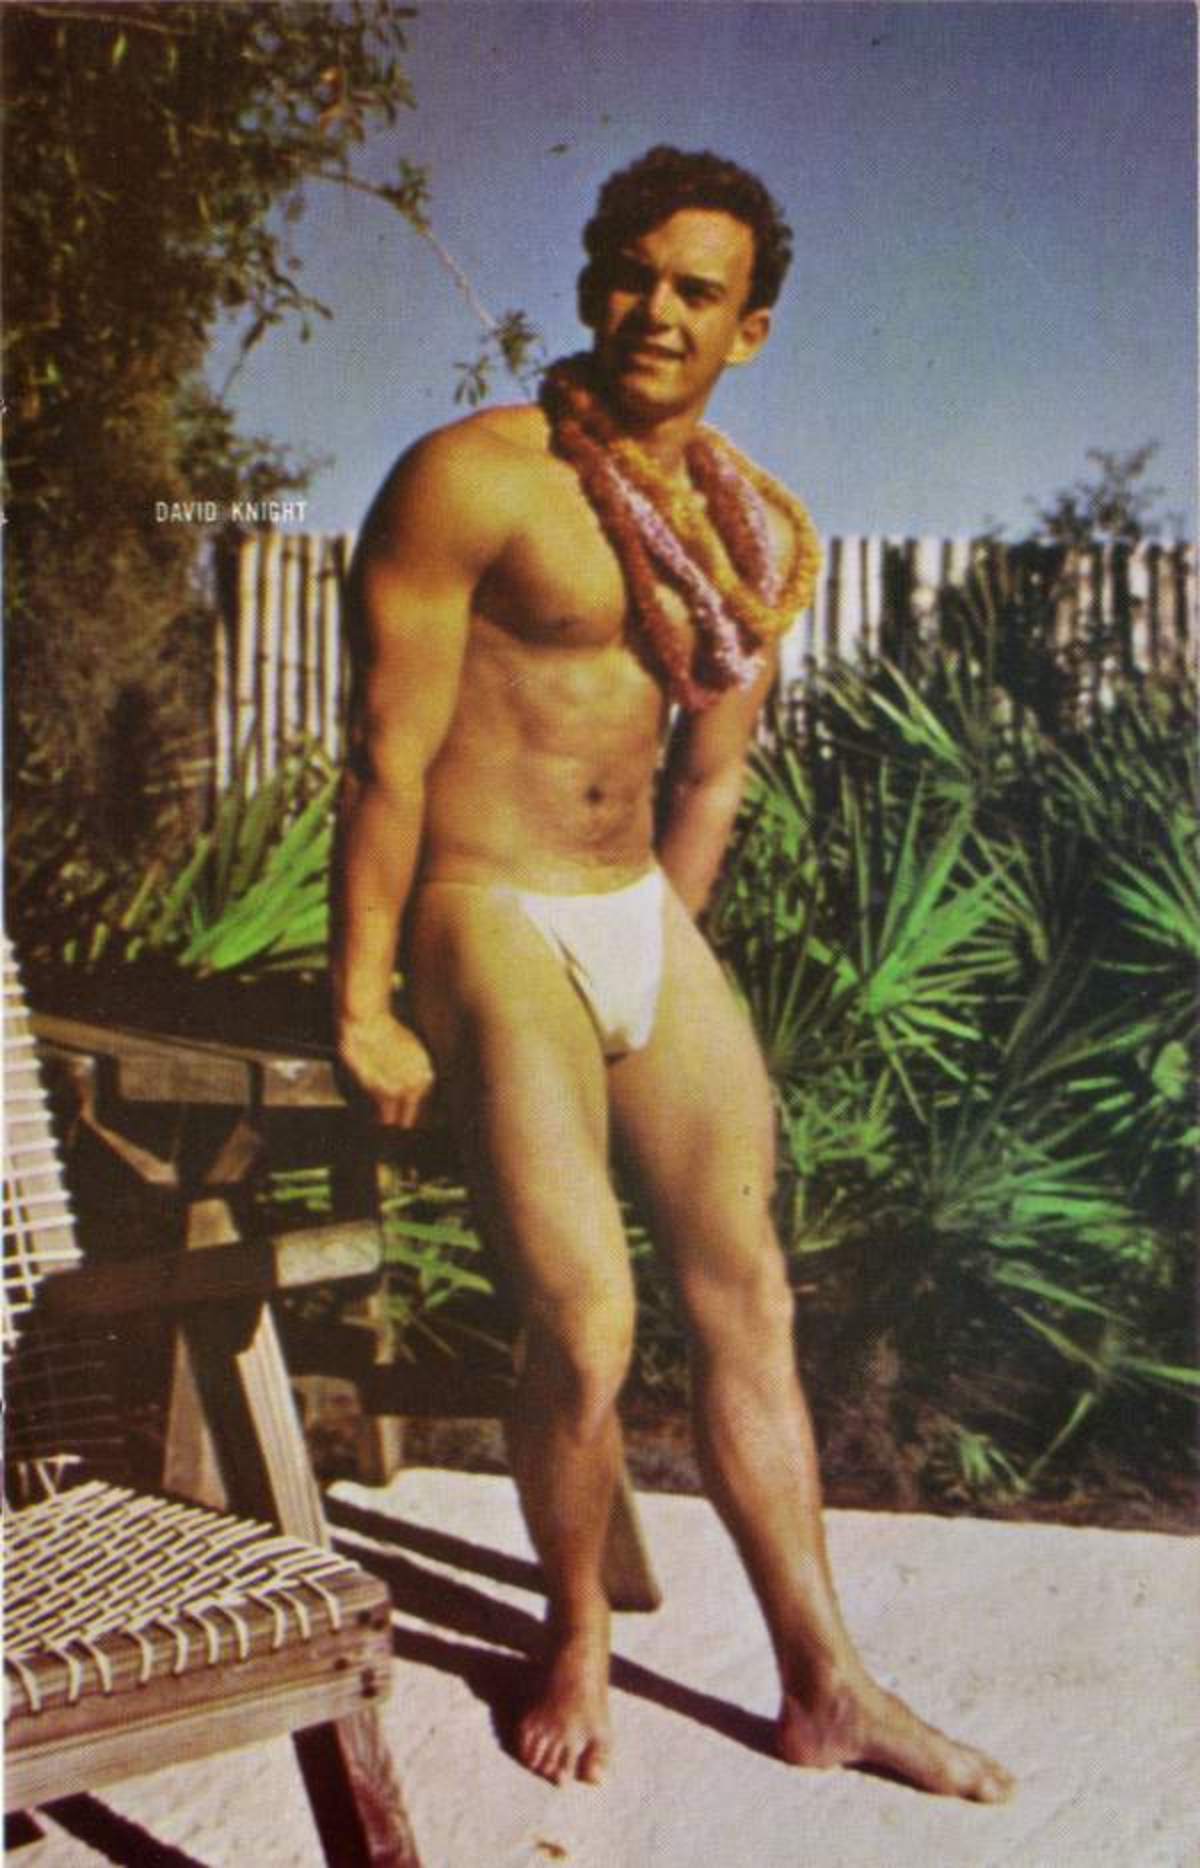

ANGEL'S FIRE

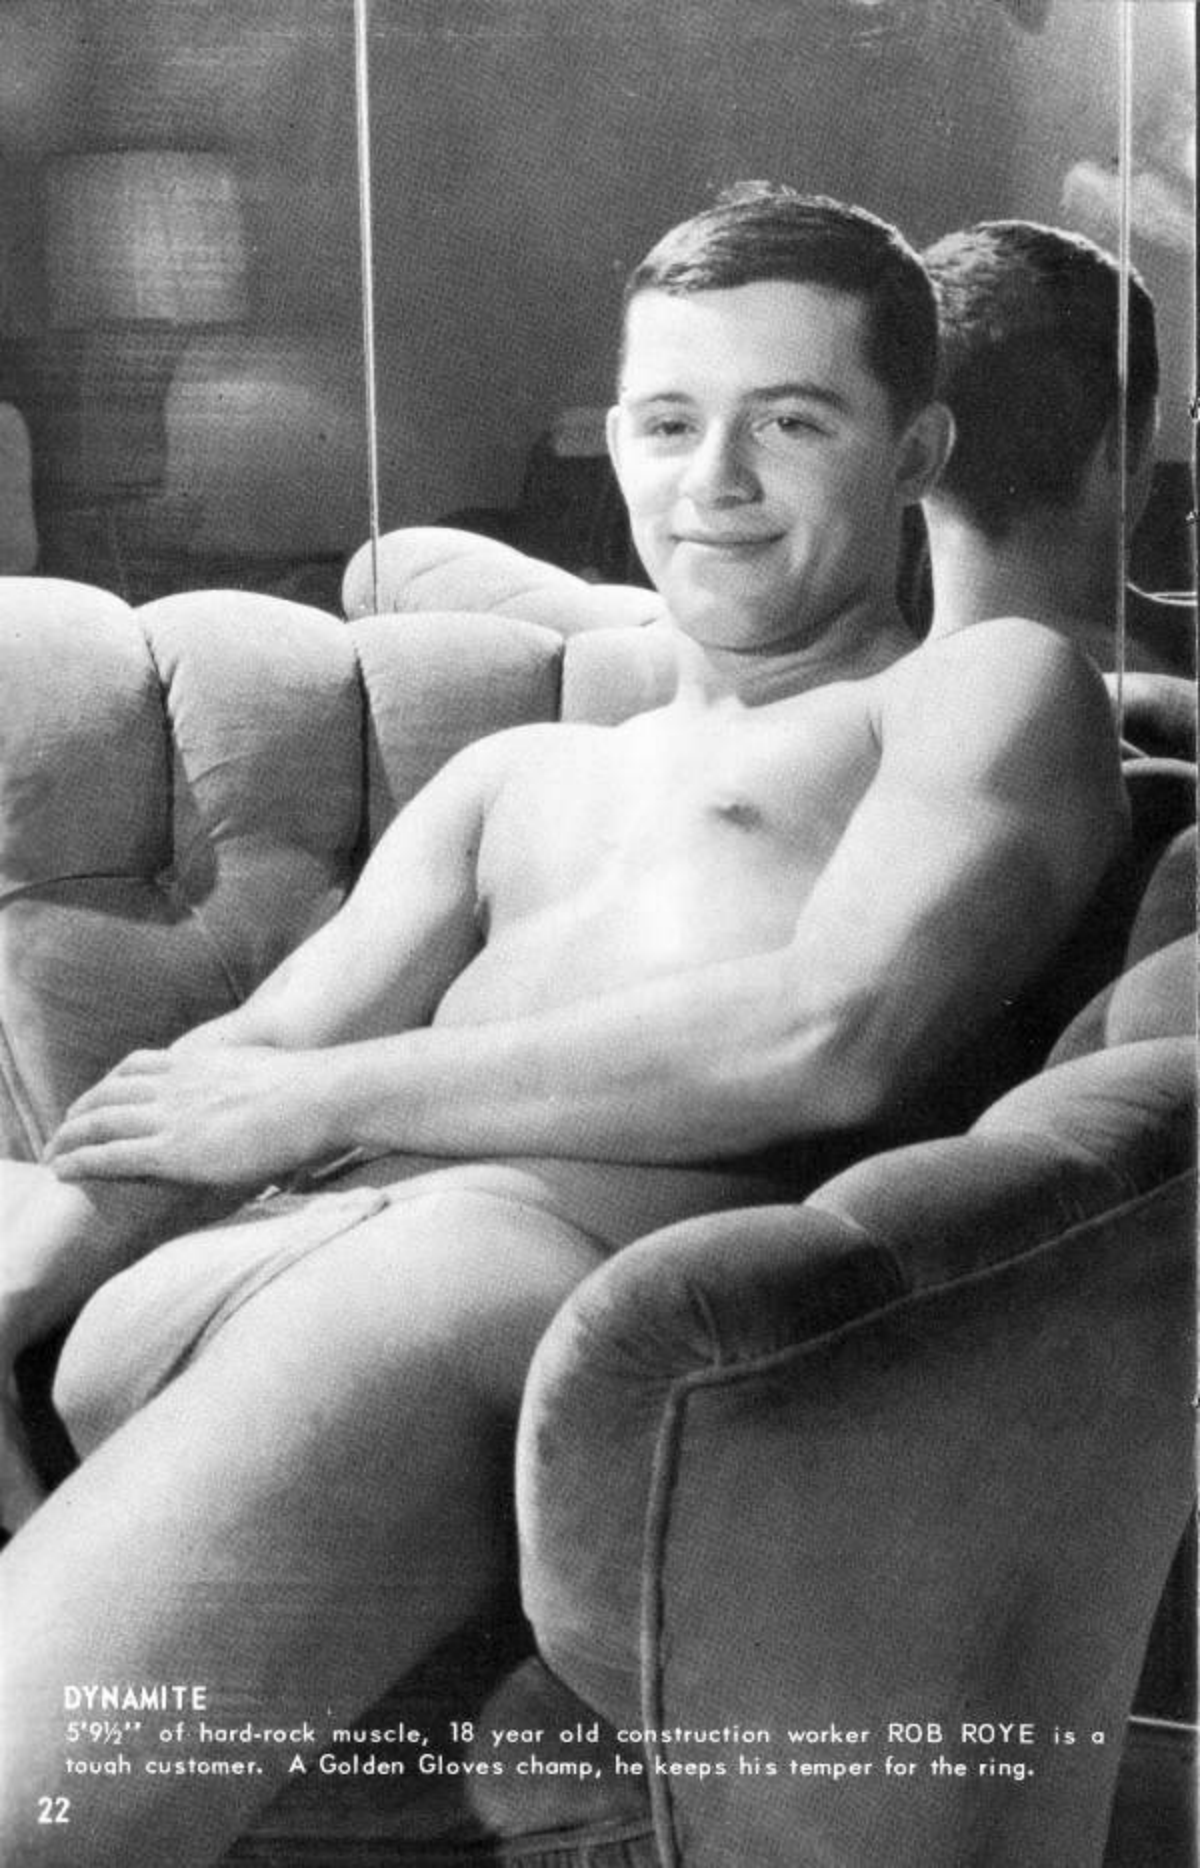

A cherubic beauty with open ways, 16 year old **MARK STERLING** is on his way up. Local talent scouts think he might be America's answer to Alain Delon of France.

DICK STARK

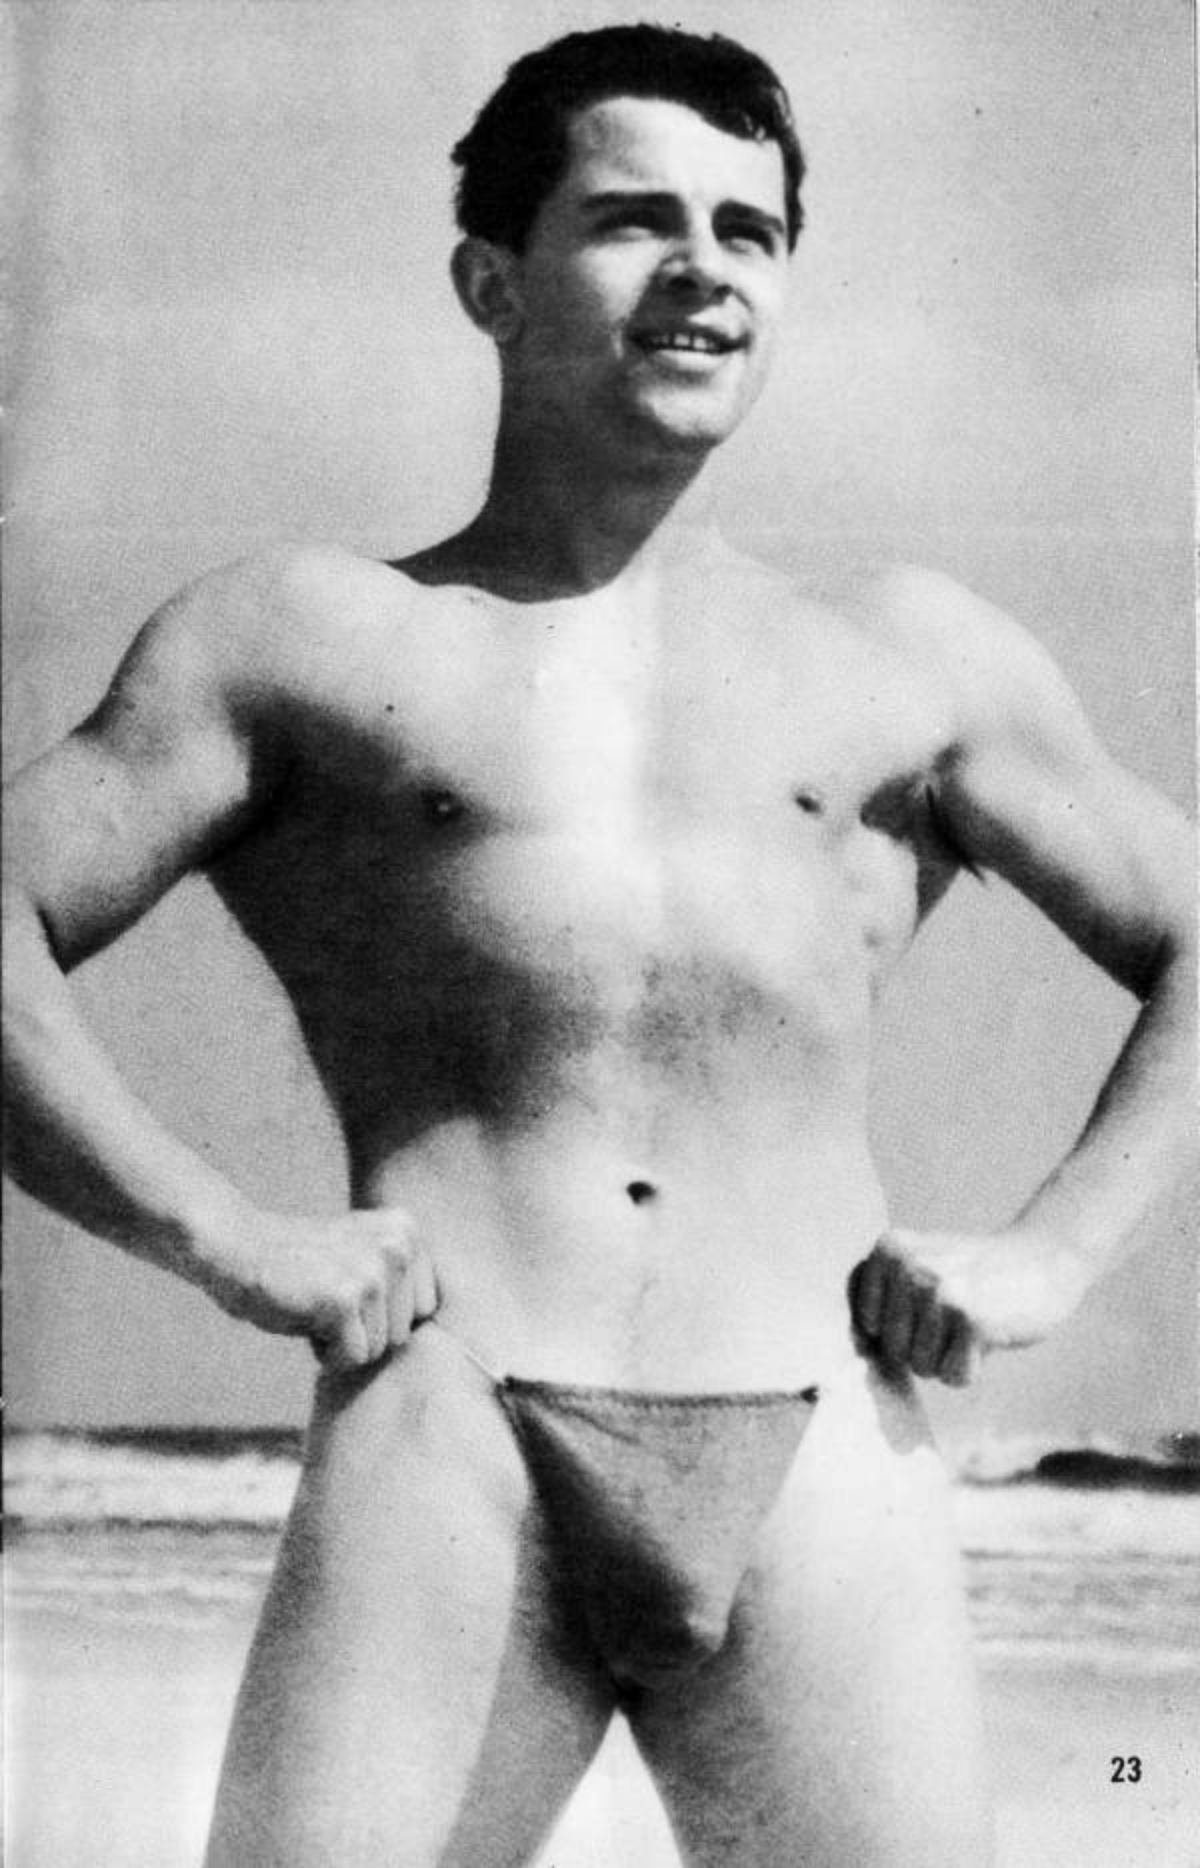

DAVID KNIGHT

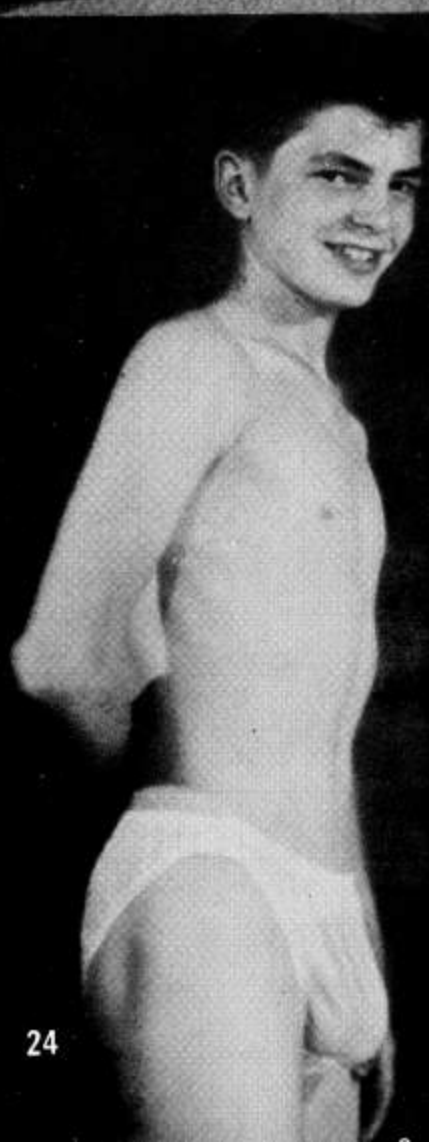

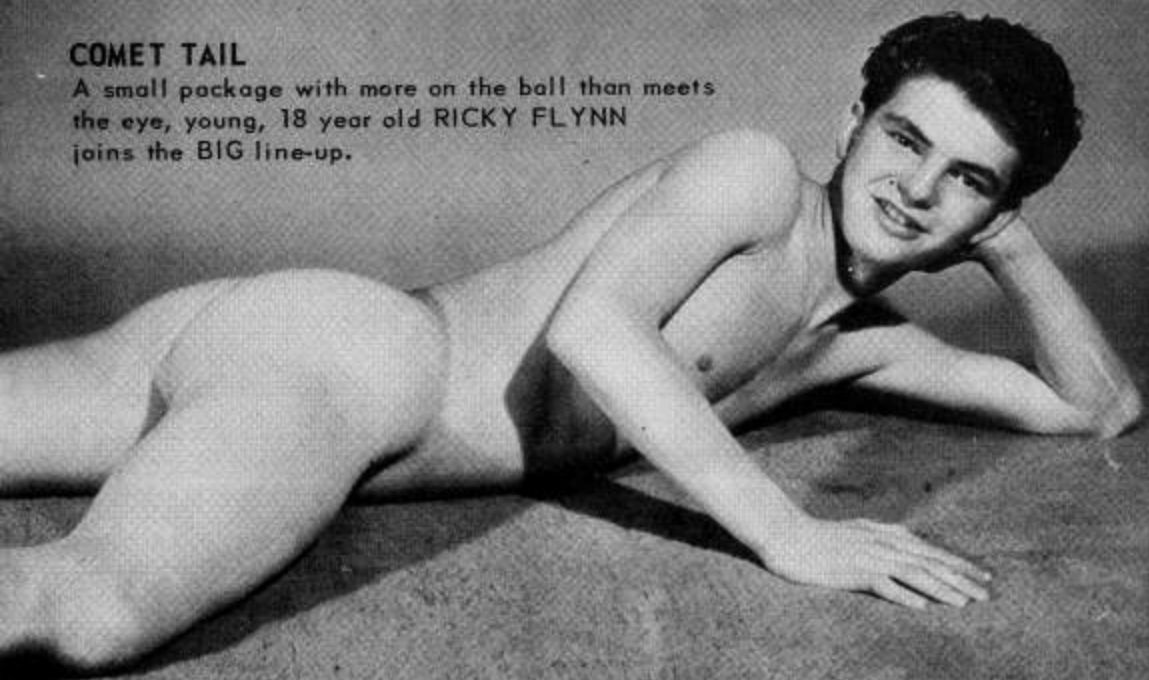

DYNAMITE

5'9½" of hard-rock muscle, 18 year old construction worker ROB ROYLE is a tough customer. A Golden Gloves champ, he keeps his temper for the ring.

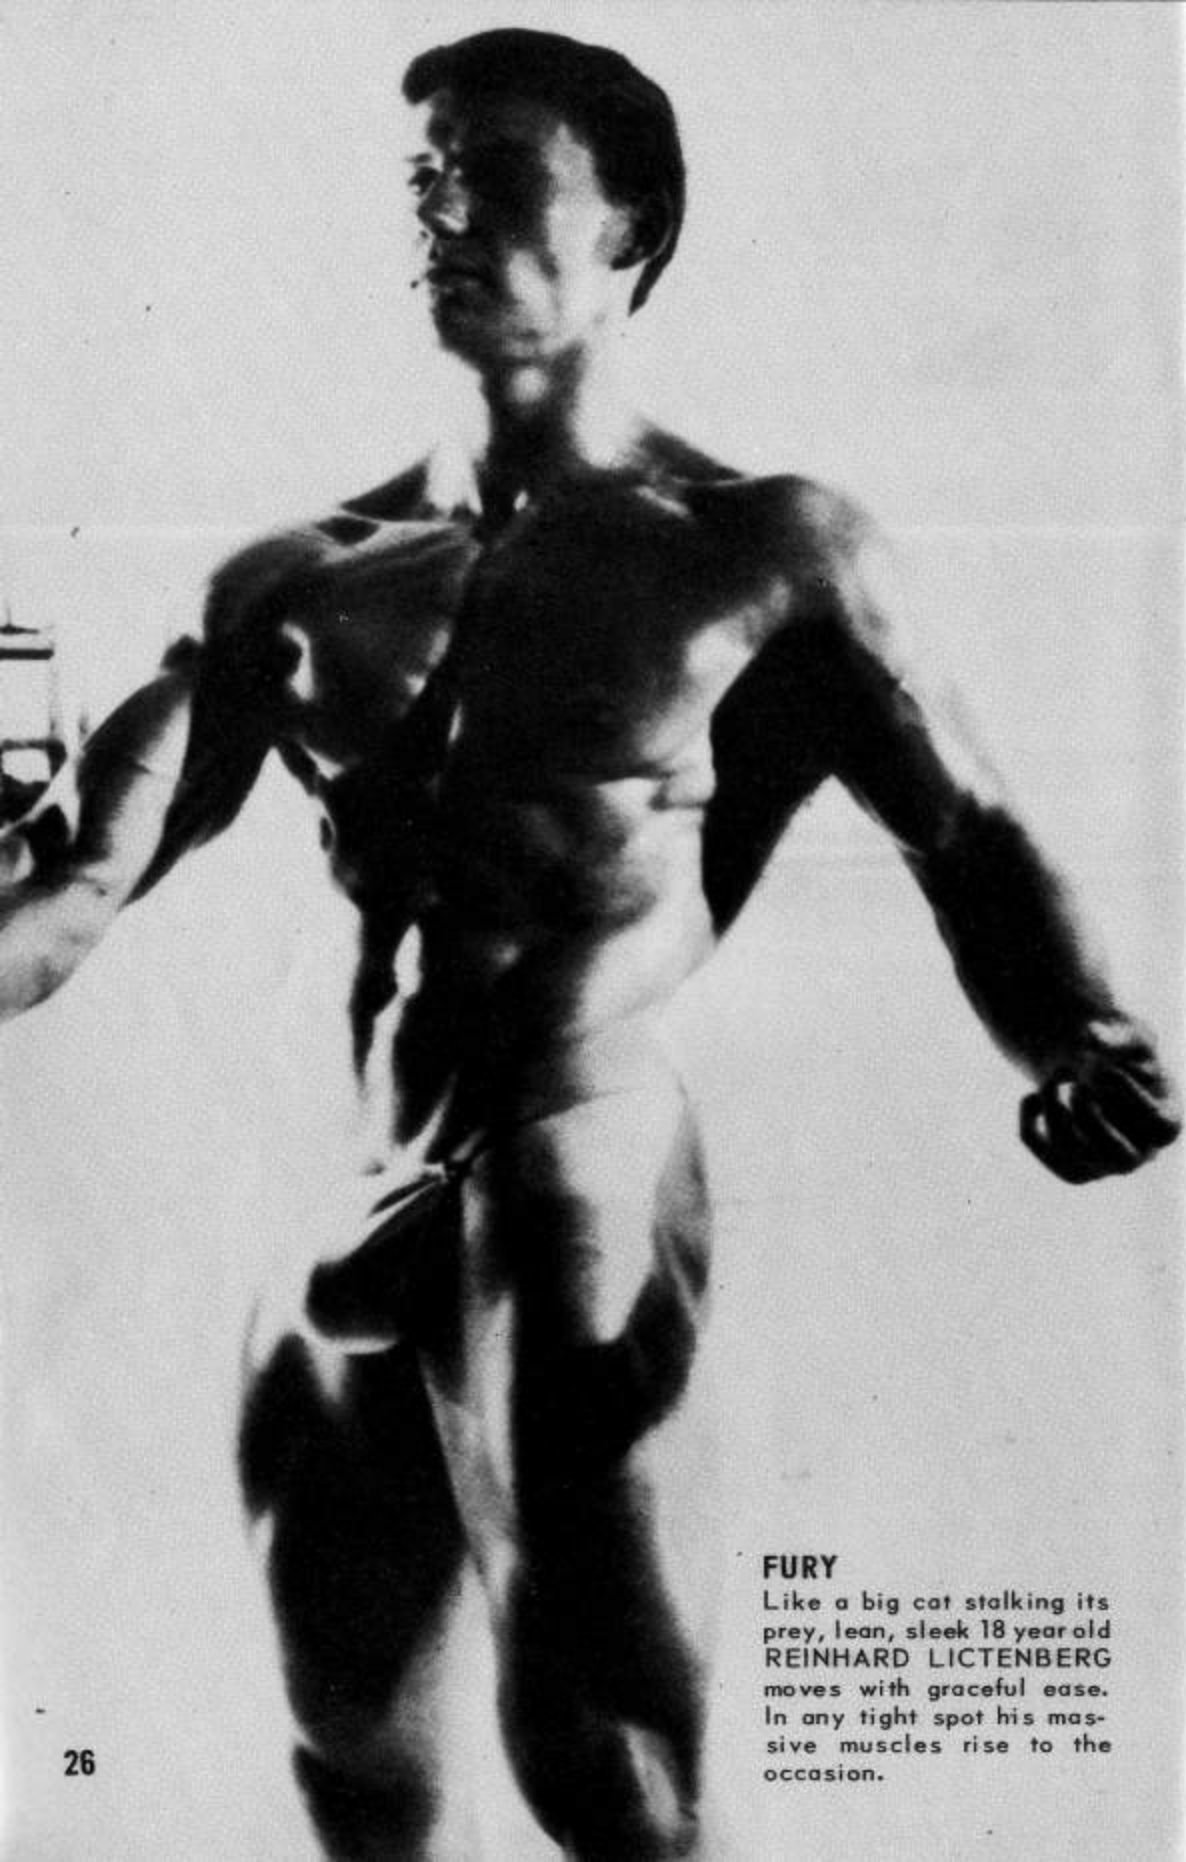

COMET TAIL

A small package with more on the ball than meets the eye, young, 18 year old RICKY FLYNN joins the BIG line-up.

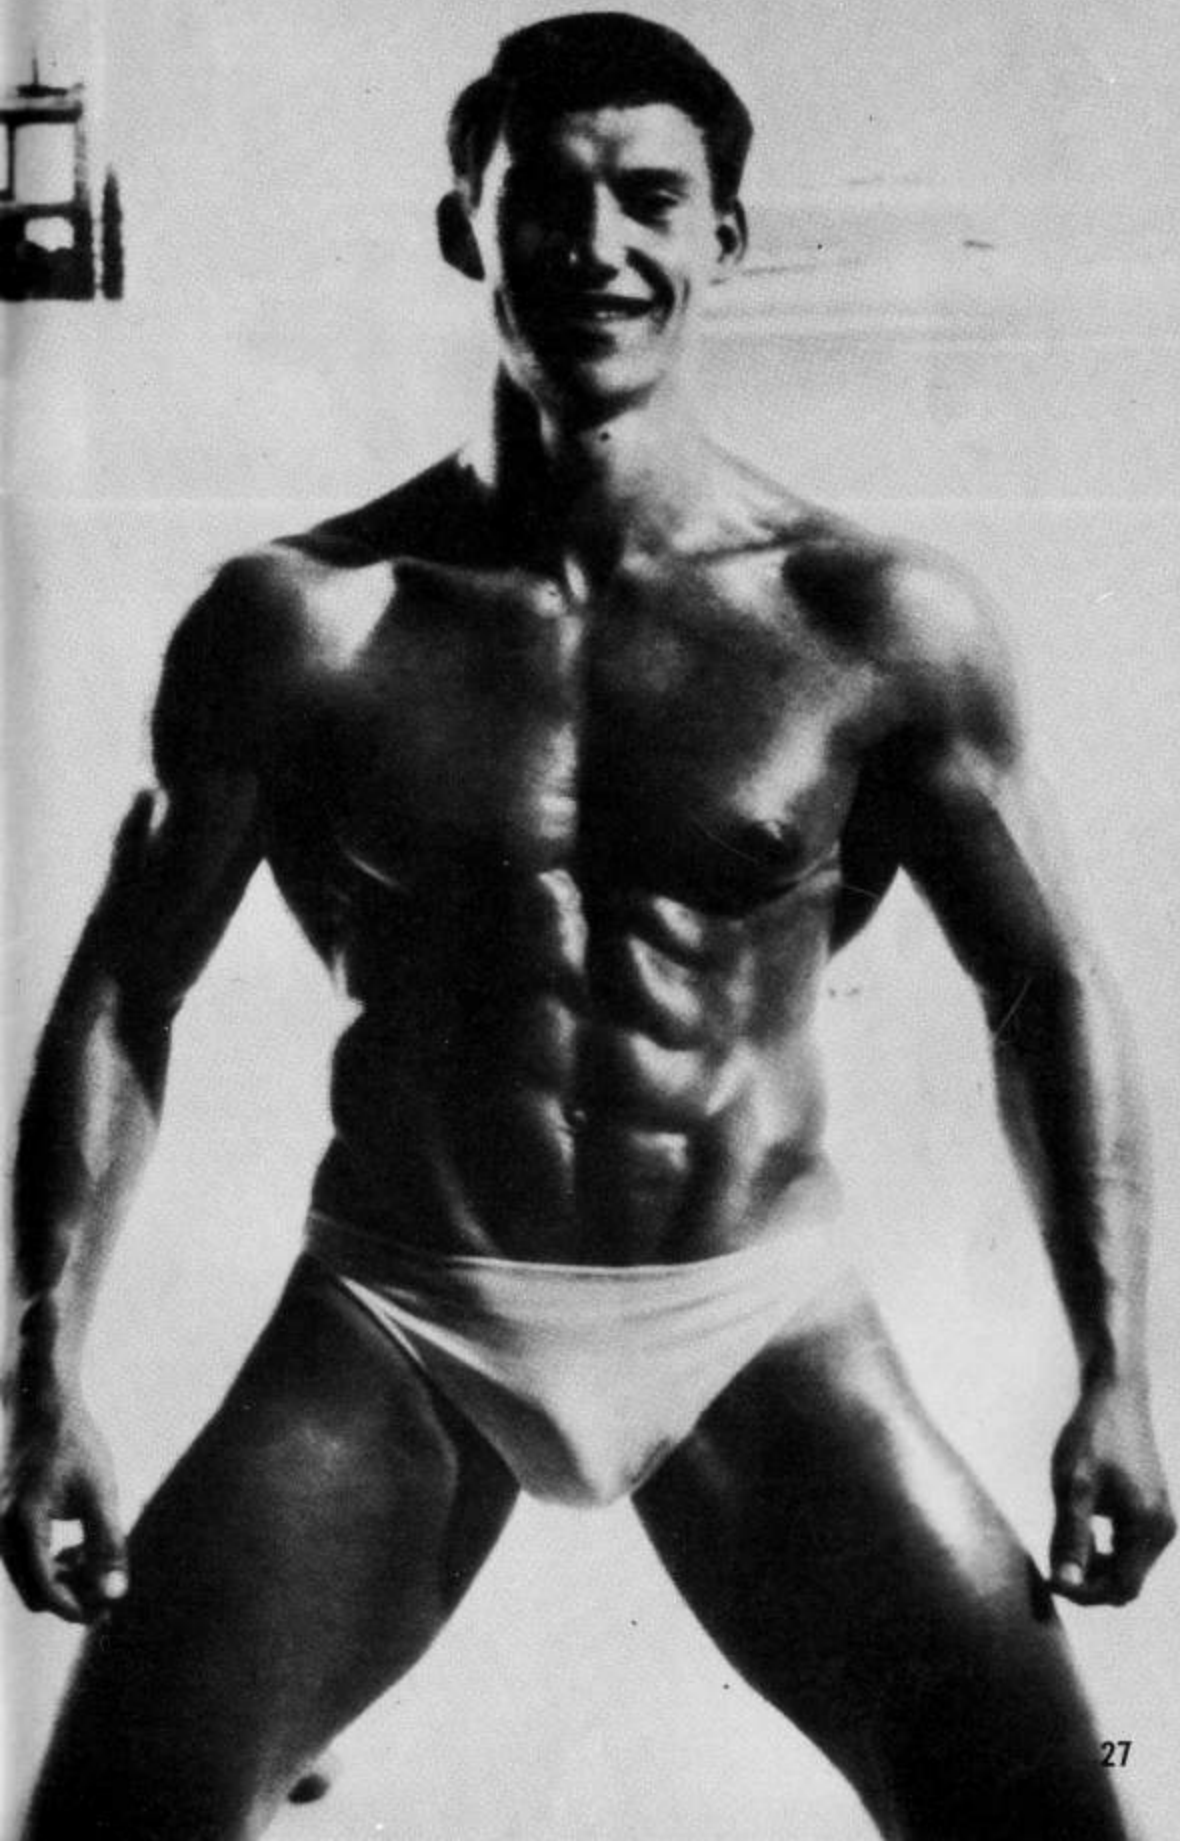

¡OLE!

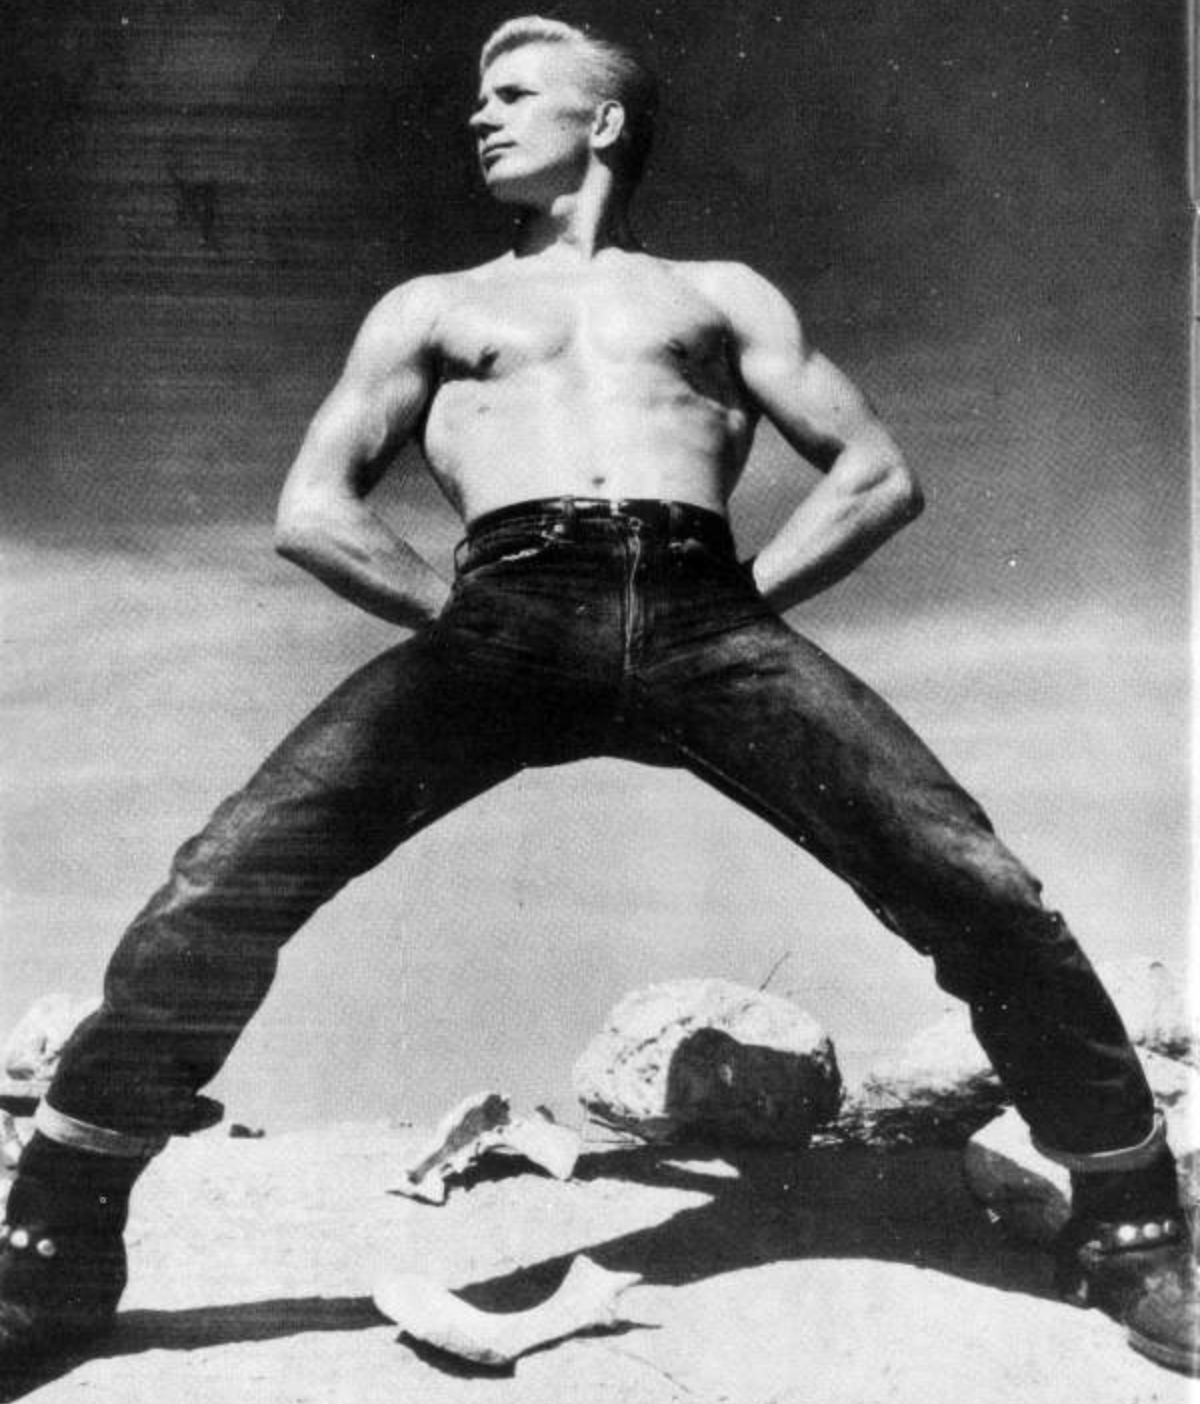

A real hot number from southern Italy, **ROCCO CARPI** is an amateur bull fighter. With those hard pecs and firm external obliques, he should be able to throw more than the bull.

FURY

Like a big cat stalking its prey, lean, sleek 18 year old REINHARD LICHTENBERG moves with graceful ease. In any tight spot his massive muscles rise to the occasion.

PRAIRIE WOLF

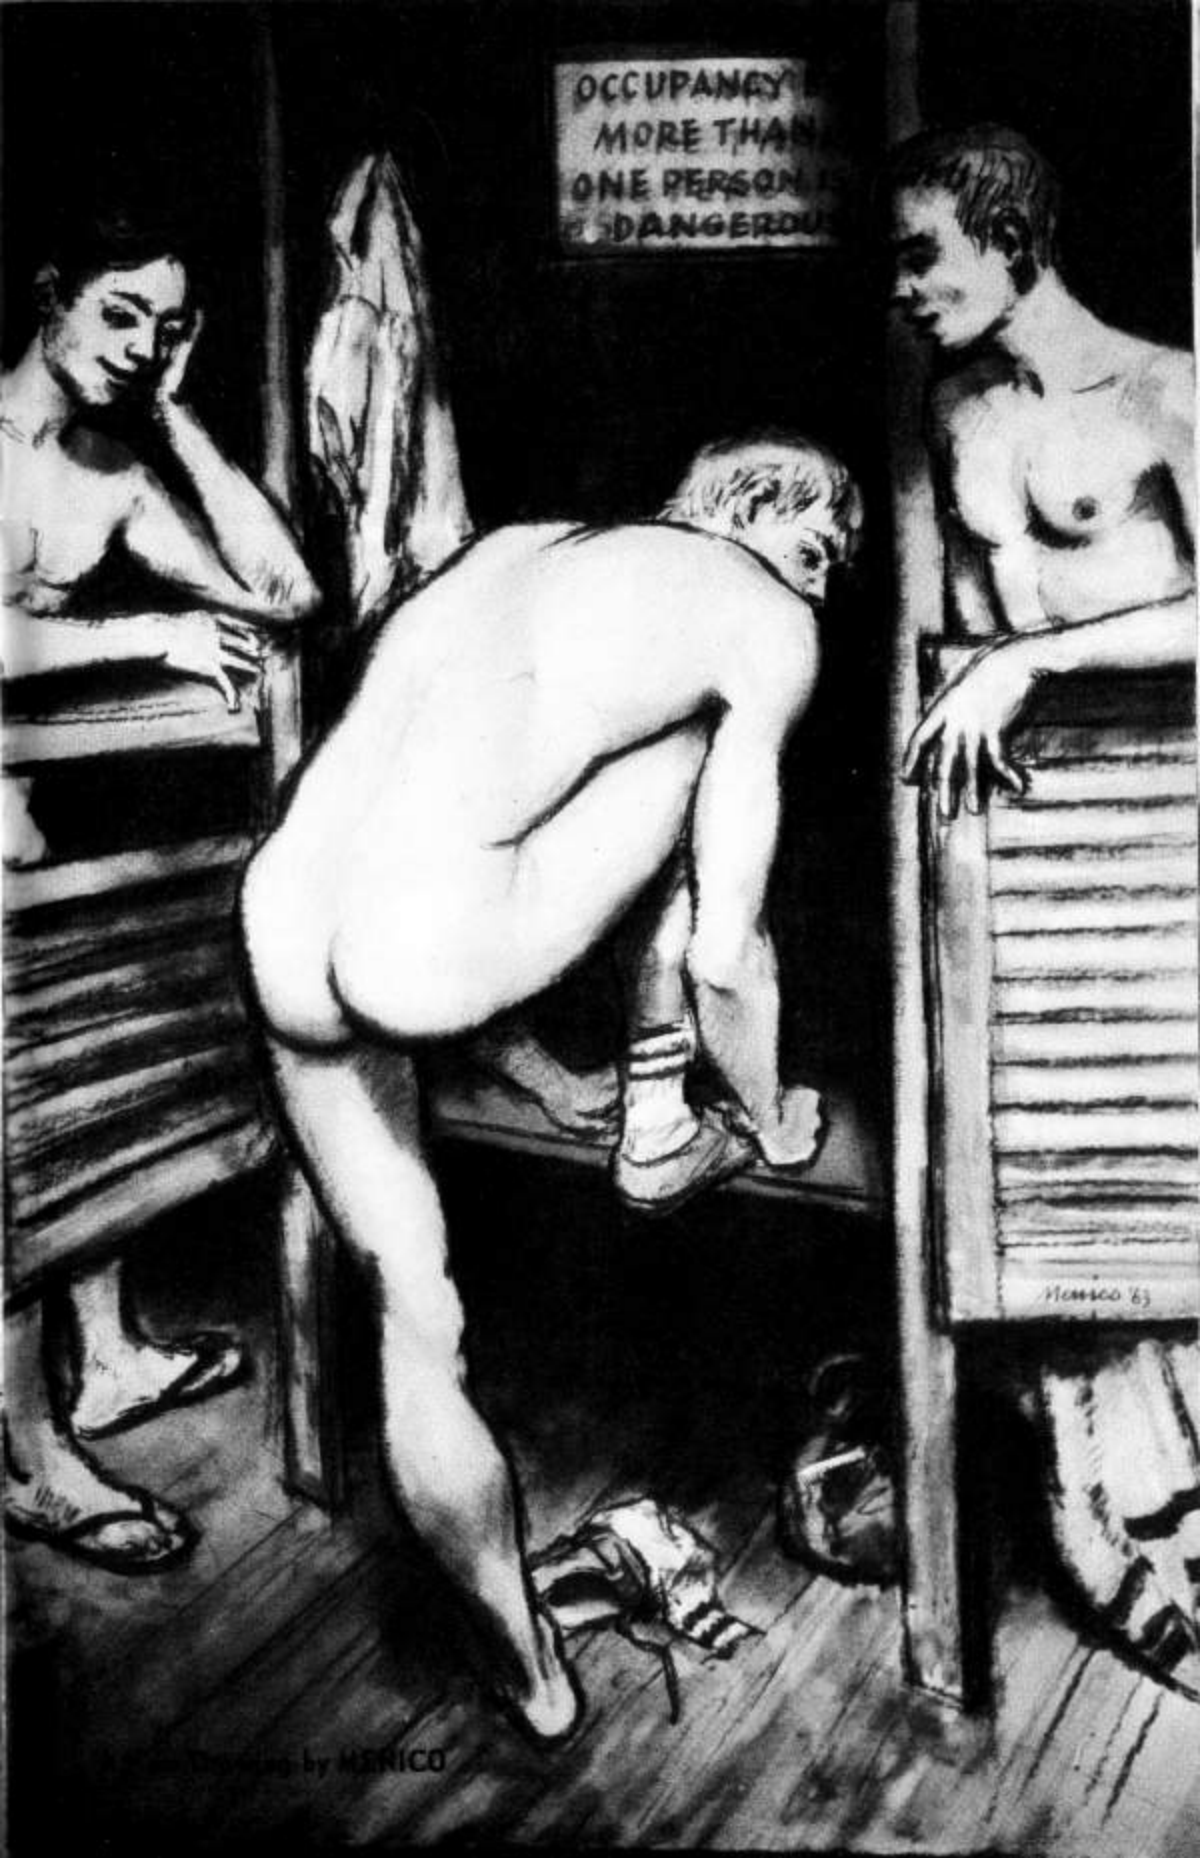

Long, lean and hard muscled CRAIG LANCOURT pauses, for a moment, to look over one of nature's last frontiers.

SAFARI

Through the dark undergrowth, brawny, 20 year old DUGGIE BAGGOTT hacks his way to new adventures. With machette swinging, he rims the jungle depths.

MANHOOD ATTAINED

In this study of young men, by Herbert R. Stoltz, M.D., and Lois Stoltz, Ph.D., entitled Somatic Development of Adolescent Boys.

Statistics on dozens of young men include all physical developments — height, weight, shoulders, arms, legs, etc., during this period characterized by the maturation of the entire reproductive system and the onset of true manhood.

This rapid physical development is fully revealed by scores of photos taken at short intervals, capturing fully this unique transition from boyhood to manhood. Variations within age groups are also illustrated in a completely authentic, untouched manner.

We have purchased the remaining copies of this 556 page book and offer them for only \$7.50 each (originally published at \$9.00) on a money-back guarantee! Send \$1.00 with C.O.D. orders.
